Thanks Don!

Don Smith Swim results

Thank you to all those who donated to Don Smith's swim. On February 2, Don swam 300 laps in a little over 4 hours! He and his wife Connie have collected almost \$22,000. They are still a little shy of their \$30,000 goal, but donations are still coming in. All the proceeds from the swim go towards scholarships for camp. Because of Don and Connie, no child is ever told they can't attend camp because their family is unable to pay the fees. We love you, Don and Connie!

Toledo Golf Show

February 17-19, 2017

Get ready for spring at the only show in Toledo just for golfers! The exhibitors will showcase equipment, resorts, destinations, and more. The event will also feature a variety of hands-on activities. Make sure to visit the aboutGolf simulator and take a shot at the contest -- all the proceed benefit DYS! For more information, visit the [event website](#).
