Edu-betes

January 31, 2018

This series addresses a few key topics of concern to many parents - new and experienced. This series will give you the opportunity to learn more about managing diabetes, ask questions, meet with experts, and connect other parents sharing your experiences. The classes are FREE, but advance registration is requested, so we know how many to expect.

This months topic: How do I get my kid to do that? - Are you looking for advice about getting your kids to take more interest and responsibility for their own diabetes. This class offers ideas from parents and experts to help you get your child to participate in their diabetes care
